Why NEXT STEP?

Next Step is about encountering God and being motivated and trained to live in the God given potential.

Various seminars, practical trainings and assignments help you to dare the Next Step!

- recognize your God given potential
- Recognize your calling
- Learn to start conversations with people
- Be an evangelist in your everyday life
- World mission in focus

As part of the Project »Europe needs Jesus«, AVC already started several churches among others in Estonia, Poland, the Czech Republic and Slovakia.

Every Next Step participant should attend one of the »Europe needs Jesus« outreaches. With the outreaches in 2019 we support the newly started churches in Poland and Romania and start a new church in Tallinn, Estonia.

Next Step is a movement of AVC Germany and EKNK Estonia (Pentecostal church Estonia).
